### **Adoption of Minutes March 18, 2026**

**Frank & Diane Bottino**, 276 Salem Rd., Pound Ridge, NY 10576, also known as Block 10047, Lot 75, Zone R-2A. The application for approval to keep an unpermitted 12' by 16' prefab shed on a gravel pad located 17.20' from the side property line is disapproved on the following grounds: Section 113-37 of the Code of the Town of Pound Ridge requires a 50' side yard setback. In order for this application to move forward, an 18' side yard variance will be required. Building Dept. Note: Due to the size of the structure, a foundation will be required by the NYS Building Code in order to make the shed legal. The existing gravel pad is not code compliant.
